LIBRARY GUIDE

SERVICES OFFERED TO THE LIBRARY USERS

Reading space

The library offers a conducive environment for personal readings.

Library registration

All new library users are entitled to register with the librarian every academic year. The reason as to why users register, for proper accountability and to know the total number of library users.

Current awareness services

The librarian always updates library users with information concerning educational matters, whether its new book titles students have to be informed.

Access to periodicals

The library offers access to newspapers, policies, and reports to the library users. However, before accessing the newspapers library users **should** present their library cards to the librarian.

Monthly newspaper articles concerning the related field of health, biomedical engineering, food and nutrition are always pinned out and filed in an index file for reference and research purposes.

Online public access catalog

This service will help the library users to search for reading materials that are available at KSHS library. The librarian will guide users with training on how to use the catalog.

Access to library textbooks

Library users are free to utilize the library materials, but they are entitled to present their library cards before they access the reading materials. On addition to this, a book should be taken for **borrowing** from **2:00 pm** and should be returned back at **10: 00 am** in the following day. Once you exceed; you will be required to pay a fine of **5000/= (Note: The time is still limited due to availability of trifling copies per titles in regard to the ratio of users but when the stock increases the duration will change)**

LIBRARY GUIDE

Selective dissemination of information

Feel free to consult the librarian about any educational information; she will guide you whether it's making research or personal reading, always inquire from her.

For indirect services always mail her at sshipher@gmail.com /kshsmainlibrary@gmail.com

Access to past papers

The library has got files for past papers of different course units both progressives, UVTAB and UHPAB you can utilize them.

Access to e-resources

The library provides several medical e- books and journals from RESEARCH FOR LIFE (**HINARI), OPAC, PUB MED, FREE BOOK CENTRE.NET, PDF DRIVE. WEB AND OTHERS** with different authors, editors and publishers. So, everyone is entitled to utilize the information materials for research and personal readings as long as you are connected to internet on personal computer and a smart phone. Therefore, it's recommended to every user to always be active to utilize the resources so as to keep the school account very active and when the users take long to visit the database the school account will be blocked. The librarian Kindly request all the users to utilize the resources in order to keep the school account active and feel free to seek for any assistance from the librarian.

Access to computers within the library

The library provides free access to computers for every library user who would like to read through the e-books, typing and editing research proposals and reports.

Inter-library loan

KSHS library provides access to reading materials to students from Kampala School of Nursing and midwifery. This service enables students to get access to textbooks that are not available at their school library but students must be registered users with a proof of the library card.

LIBRARY GUIDE

Reference services

The library has got a reference section with reading materials such as dictionaries, atlases, encyclopaedias and handbooks. Therefore, this service will connect the users with information holdings in the library.

Free training services to students

The librarian offers free training to students offering records and information management course. This service will give the students the opportunity for career exploration and development and to learn new skills.

Library stock acquisition

The main sources of book acquisition for KSHS library are:

- Students
- School director

The library acquires books from new students at the beginning of the academic year, and this is done

in such a way that every intake, the school indicates and circle a specific textbook every new student should bring. The reason as to why the school does this, is to get ways increasing the library stock since as per now it hasn't got any form of donations to increase on the stock.

Other services

Basing on the KSHS library policy, library services are quite many but as per now the school is still focusing on the above-mentioned services. However, depending on the changing needs of the users the librarian will always update users about new services.

LIBRARY GUIDE
